Region IV of the SBA includes nine district offices located in eight states: Alabama, Florida (North & South Florida districts), Georgia, Kentucky, Mississippi, North Carolina, South Carolina, and Tennessee. Last fiscal year, over \$5 billion in SBA-backed lending was approved for small businesses located in the Southeastern Region.

Each year since 1963, the president has issued a proclamation calling for the celebration of National Small Business Week. National Small Business Week is set as the first week in May, and this year the dates are April 30 – May 6 with national events planned in Washington, D.C., New York City, Indianapolis, Dallas and Fresno, Calif. Local events will be held across the Southeast as well to celebrate National Small business Week and to honor the small business champions located in each of the respective states located in Region IV. The regional awards will be presented during the local events. Please contact your local SBA district office more information on the local events [www.sba.gov](http://www.sba.gov).

**About the Small Business Administration**

The U.S. Small Business Administration (SBA) was created in 1953 and since January 13, 2012 has served as a Cabinet-level agency of the federal government to aid, counsel, assist and protect the interests of small business concerns, to preserve free competitive enterprise and to maintain and strengthen the overall economy of our nation. The SBA helps Americans start, build and grow businesses. Through an extensive network of field offices and partnerships with public and private organizations, the SBA delivers its services to people throughout the United States, Puerto Rico, the U.S. Virgin Islands and Guam.
